Re: 7-Eleven, Inc. v. Tariq Khan, et al.
Case Number: 2:13-CV-03538 (ADS) (ARL)

Dear Judge Spatt:

This firm is co-counsel with the firm of Einbinder & Dunn, LLP representing the primary Defendants in the above-referenced matter.

Last evening, Defendants filed by ECF Docket No.: 86, a letter to Your Honor which contained quotations from the Certification of Kurt McCord which had previously been sealed by Your Honor. Given that the McCord Certification was sealed, and the letter we filed contained quotes from that Certification, we should have requested that our letter be sealed as well. We respectfully request that it be sealed at this time.

We apologize for this error.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. Curto', with a long, sweeping horizontal line extending to the right.

ANDREW E. CURTO
